MEMORANDUM FOR THE RECORD

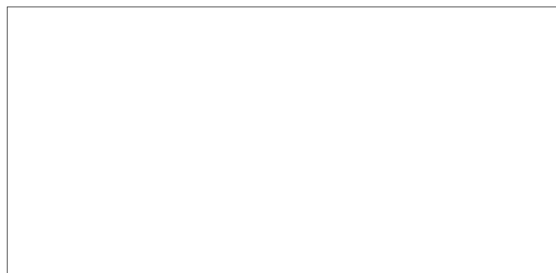

SUBJECT: Concurrence in Definitive Contract No. RT-100 (AF33(600)-37230) with Missile Systems Division, Lockheed Aircraft Corporation, Sunnyvale, California, Project CORONA

1. This memorandum contains a recommendation submitted for approval of the Director of Central Intelligence. Such recommendation is set forth in Paragraph 5 below.

2. The letter contract, as amended, presently obligates [redacted] Fiscal Year 1958 CORONA dollars, and covers the work under Appendix A to the contract. Recent negotiations have indicated that the cost of the program will exceed \$7 million. This Definitive Contract is in the amount of [redacted] which includes the balance of Fiscal Year 1958 CORONA funds available for this program. Additional Fiscal Year 1959 CORONA funds may be required at a later date.

3. This document requires the obligation of [redacted] additional Fiscal Year 1958 CORONA funds for this program. By concurrence to this memorandum the Comptroller signifies that sufficient funds are available for this additional obligation.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956, which in effect results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each contract.
